Her life has been dorm, dining hall, class, repeat. Time's a ticking, and she needs a changeâ€”there's nothing like moving to a new country to really mix things up.

Shane signs up for a semester abroad in London. She's going to right all her college mistakes: make friends, pursue boys, and find adventure!

Easier said than done. She is soon faced with the complicated realities of living outside her bubble, and when self-doubt sneaks in, her new life starts to fall apart.

Shane comes to find that, with the right amount of courage and determination one can conquer anything. Throw in some fate and a touch of magicâ€”the possibilities are endless.
